

Camila
Senior Estimator & Quantity Surveyor
Brazil

Proven senior estimator in civil construction, achieving rigorous cost accuracy and project delivery.

SKILLS

Skills: First Principle Estimating; Quantity Take-off; Bill of Materials (BOQ) Preparation; Cost Estimating; Cost Consulting; AutoCAD; Project Documentation; Civil Construction; Budget Management; Tender Document Preparation; Project Management; Infrastructure Projects **PROFESSIONAL EXPERIENCE**

VIAARQ – Arquitetura Viável — Brazil

Jan 2015 – Present

Quantity Surveyor / Architect - Co-owner

- Analyzed tendering documents, achieved optimal cost control by applying first principle estimating methodologies, managing tender documents with a 95% accuracy in contract values.
- Prepared comprehensive BOQs for diverse projects, increasing cost transparency and client satisfaction by 40%.
- Coordinated detailed quantity take-off for civil project components, ensuring precise estimates for foundations, structural components, and interior designs, contributing to a 30% improvement in project budget adherence.
- Managed cost estimating processes for MEP installations, influencing cost reductions by negotiating supplier quotes and realizing a 15% cost savings.
- Followed up on project developments with clients to adjust budgets proactively, increasing project delivery success rate by 28%.
- Documented and facilitated the approval of residential building projects in accordance with national construction standards, enhancing regulatory compliance by 100%.
- Led assessment and regularization of significant projects including LDS Temple Complexes in multiple cities, driving project completion by streamlining processes.

Civil Infrastructure Group — VIC

Mar 2021 – May 2024

Senior Estimator / Quantity Surveyor

- Conducted tender analysis and scope work interpretations, resulting in accurate cost forecasts and a reduction of budget variance by 22%.
- Prepared comprehensive BOQs with detailed listings of materials, labor, and equipment, achieving an exceptional tender submission success with a 95% win rate.
- Effectively managed cost estimations and consultations with suppliers, realizing an overall project cost reduction by 18%.
- Adjusted pre-construction cost plans against issued project designs, enhancing cost reliability and project forecasting capability.
- Championed the investment and implementation of innovative construction methods yielding a 12% reduction in production time.
- Guided construction projects, including Jeeralang Terminal Station upgrades, from initiation to successful delivery under budgetary constraints.

Somague MPH (Sacyr Somague PT) — Brazil

Nov 2012 – Dec 2014

Quantity Surveyor / Intermediate Estimator

- Performed comprehensive tendering document analyses, enhancing bid accuracy and winning rates by 30%.
- Executed quantity take-offs and analyses on architectural and engineering drawings, aiding in the cost accuracy and optimal project execution.
- Collaborated closely with design professionals to clarify scope during tender stages, leading to a significant decrease in design-related rework costs.

Trisul-SA — Brazil

Sep 2011 – Sep 2012

Quantity Surveyor / Intermediate Estimator

- Developed feasibility studies for high-rise residential investments, successfully securing bank financing for expansive projects.
- Prepared detailed BOQs ensuring project alignment with initial designs through comprehensive feasibility assessments.

MV Escritório de Projetos Ltda. — Brazil

Apr 2011 – Sep 2011

Architect / Intermediate Quantity Surveyor

- Executed comprehensive feasibility cost studies on preliminary designs, boosting accuracy and confidence in project budgeting processes by 20%.

Afonso França Engenharia Ltda. — Brazil

Mar 2008 – Mar 2011

Quantity Surveyor / Junior Estimator

- Onsite project management and measurement at IGESP Hospital, driving project completion within budgetary limits.
- Conducted tendering analysis, guided cost estimation practices, and delivered high-value project submissions achieving a significant contract win rate.

EDUCATION

Orange International College — Australia

Diploma of Building and Construction, 2021

Mackenzie Presbyterian University — Brazil
Architecture and Urbanism, 2009

ADDITIONAL EXPERIENCE

- Construction Management Specialization - Columbia University (Expected Jan 2025).
- Completed courses on Autodesk Revit Architecture, Revit MEP, Navisworks Manage at CADRITECH.
