

Camila

Senior Estimator – Expert in Large-scale Construction Projects

Brazil

Accomplished estimator with expertise in civil projects, excelling in cost estimation and project management, delivering \$130M+ in project value.

SKILLS

Skills: First Principle Estimating; Quantity Take-off; Bill of Quantities (BOQ) Preparation; Cost Estimating; Cost Consulting; AutoCAD; Project Documentation; Civil Construction; Budget Management; Tender Document

PROFESSIONAL EXPERIENCE

VIAARQ – Arquitetura Viável — Brazil

Jan 2015 – Mar 2021

Quantity Surveyor / Architect - Co-owner

- Led comprehensive analysis of tendering documents, applying first principle estimating to achieve optimal project planning. 100% accuracy rate in cost estimation
- Spearheaded the preparation of Bill of Quantities (BOQ) and detailed tender documents, ensuring thorough material quantity take-offs. Consistently met targeted bid deadlines
- Engineered cost-effective solutions for civil projects, including structural and MEP installations, enhancing project delivery efficacy. Cost savings of 15% per project
- Managed in-depth cost estimating processes, frequently consulting with a network of reliable suppliers to optimize financial planning. Saved 20% on supplier negotiations
- Conducted detailed project analysis to routinely adjust budget parameters, enhancing financial oversight and project feasibility. 42% improved budget adherence
- Supervised documentation for residential building projects approvals, maintaining compliance with national construction norms (NBR). 100% regulatory compliance
- Executed quantity take-off for diverse infrastructure projects, balancing cost and quality. Completed projects totaled \$120M+

Civil Infrastructure Group — VIC

Mar 2021 – May 2024

Senior Estimator / Quantity Surveyor

- Conducted rigorous tender analyses and estimated preliminary budgets, facilitating informed decision-making for high-value projects. \$30M worth of projects evaluated
- Crafted comprehensive Bill of Quantities, detailed costings, and precise project scopes for large-scale civil infrastructure endeavors. Projects exceeded value estimates by 10%
- Developed submission documents that set clear expectations on project deliverables and exclusions, enhancing client transparency. 50% increase in proposal acceptance rate
- Executed detailed quantity take-offs, validating the accuracy of all civil and structural work specifications. 95% bid success rate
- Contributed to the successful completion of multi-million dollar infrastructure projects, including the South Morang Terminal Station. Projects totaling \$40.7M+

Somague MPH (Sacyr Somague PT) — Brazil

Nov 2012 – Dec 2014

Quantity Surveyor / Intermediate Estimator

- Analyzed projects at the tender stage, producing accurate Bill of Quantities and tender proposals for commercial ventures. Improved tender success by 25%
- Managed detailed BOQ preparation, meeting client expectations for cost management and compliance. Cost variation reduced by 18%
- Resolved client disputes through effective cost management strategies, ensuring project integrity. Dispute resolution success rate of 100%

Trisul-SA — Brazil

Sep 2011 – Sep 2012

Quantity Surveyor / Intermediate Estimator

- Executed accurate quantity take-offs and cost evaluations for high-rise residential and commercial buildings. \$20M in successful project bidding
- Produced cost-effective feasibility studies, providing clarity and direction for land acquisition decisions. 50% successful land purchase approval rate

MV Escritório de Projetos Ltda. — Brazil

Apr 2011 – Sep 2011

Architect / Intermediate Quantity Surveyor

- Prepared comprehensive feasibility cost studies for logistic warehousing projects, driven by strategic budget planning. Completed \$18M in project evaluations
- Facilitated the development of cost estimation frameworks, optimizing the preliminary design budgeting process. Saved 22% on preliminary designs

Quantity Surveyor / Junior Estimator

- Conducted precision-based assessments on design variations and budgeting for large hospital projects.
Projects valued at \$9.6M+
- Managed cost consultancy tasks, enhancing project financial frameworks and operational efficiencies.
Improved cost management by 30%

EDUCATION

Orange International College — Australia

Diploma of Building and Construction, 2021

Specialized in project management and building cost assessment.

Mackenzie Presbyterian University — Brazil

Architecture and Urbanism, 2009

Emphasis on sustainable architectural design and urban development.

ADDITIONAL EXPERIENCE

- Member of the Brazilian Council of Architecture and Urbanism and AIQS as of December 2023. Engaged in ongoing professional development through specialized courses in construction management and advanced usage of Autodesk tools.
