PROFESSIONAL EXPERIENCE

VIAARQ – Arquitetura Viável — Sorocaba, SP, Brazil

Jan 2015 – Present

Quantity Surveyor / Architect - Co-owner

- Conducted comprehensive analysis of tendering documents leading to the preparation of accurate first principle estimates which significantly minimized cost overruns.
- Expertly prepared Bill of Quantities (BOQ) and tender documents for various construction projects, ensuring clarity and precision that streamlined procurement processes.
- Drove cost savings by negotiating supplier quotes for complex MEP installations, achieving an average reduction of 15% compared to initial estimates.
- Managed detailed quantity take-offs for multiple high-profile projects including hospitals, shopping centers, achieving timely schedule adherence and budget compliance.
- Directed the execution of commercial offers with comprehensive cost analysis and substantiating documentation, enhancing client trust and project viability.
- Steered projects through intricate budgeting phases to completion, with a particular focus on maintaining project scope and avoiding costly design variations.

Civil Infrastructure Group — Greater Melbourne, VIC, Australia

Mar 2021 – May 2024

Senior Estimator / Quantity Surveyor

- Led the comprehensive tender analysis for multi-million AUD projects, securing critical wins through precise scope clarification and cost-effective bids.
- Successfully executed detailed quantity take-offs and developed BOQs for infrastructure projects, achieving a record cost accuracy margin within the industry.
- Cultivated supplier relationships that facilitated cost consulting and pricing negotiations for project bids, resulting in substantial project savings.
- Participated in strategic project adjustments with cross-functional teams to ensure fiscal alignment with client budgets without sacrificing quality or timelines.

EDUCATION

Orange International College — Diploma of Building and Construction (Building), Melbourne, VIC, Australia, 2021

Focus on construction project lifecycle and management.

Mackenzie Presbyterian University — Bachelor's Degree in Architecture and Urbanism, Sao Paulo, SP, Brazil, 2009
