## Senior Estimator & Quantity Surveyor - Large-Scale Civil Infrastructure Expertise Brazil

Seasoned quantity surveyor with 15+ years' experience in diverse infrastructure projects, achieving cost savings of up to 22% through precise estimations.

### SKILLS

**Skills:** First Principle Estimating • Bill of Quantities (BOQ) • Tender Documents • Quantity Take-Off • Cost Estimating • Cost Consulting • AutoCAD • Excel • Bluebeam • Expert Estimation • Revit • Software MEGA • Candy (CCS) • Budget Management • Project Development Follow-Up

**Languages:** Portuguese (Native); English (Professional)

### PROFESSIONAL EXPERIENCE

**VIAARQ - Arquitetura Viável** — Brazil

Jan 2015 – Present

*Quantity Surveyor / Architect - Co-owner*

- Developed and prepared comprehensive Bill of Quantities and tender documents that consistently led to successful contract awards.
- Facilitated cost estimation and request for quotes with suppliers, including complex MEP installations, maintaining supplier relationships which improved negotiation outcomes by over 30%.
- Pioneered cost assessments for design variations from tender drawings to IFC, providing insights that optimized project budgets by up to 22%.
- Led the preparation of final accounts and detailed cost analyses, enhancing clarity and accuracy in financial reporting, and supporting project approvals.
- Oversaw development programs for real estate credit evaluations with Caixa Econômica Federal Bank, directly impacting the financing approval process for high-rise constructions.
- Coordinated technical drawings compliance to construction standards, focusing on accessibility, which led to a 100% approval rate across reviewed projects.
- Managed follow-up of project developments, ensuring continuous budget alignment and adjusting financial plans as needed to remain within 5% of initial forecasts.

**Civil Infrastructure Group** — Australia

Mar 2021 – May 2024

*Senior Estimator / Quantity Surveyor*

- Executed in-depth analysis of tender packages and engaged in preliminary budgeting for major infrastructure bids, shaping competitive and realistic operational budgets.
- Prepared comprehensive BOQs inclusive of material, labor, and equipment, driving the accuracy of submitted tenders and securing major project wins.
- Managed cost estimation processes based on supplier consultations, leveraging insights to reduce predicted expenses by up to 15% across projects.
- Assessed additional costs stemming from design variations, providing critical financial data to support strategic decision-making and cost control.
- Developed final accounts and refined program schedules to meet client budget constraints, enhancing project lifecycle management.
- Handled key projects like the South Morang Terminal Station, delivering detailed project estimates and ensuring successful completion within allocated budgets.
- Conducted detailed scope reviews with contractors, optimizing project execution plans and enhancing operational efficiency.

*Quantity Surveyor / Intermediate Estimator*

- Analyzed project scopes and prepared detailed BOQs that underpinned successful tenders for large-scale projects, significantly contributing to SOMAGUE's market growth.
- Engaged in complex cost estimating tasks, collaborating with suppliers and site teams to enhance cost management processes and project outcomes.
- Facilitated project briefings and cost clarifications with architectural and engineering teams, streamlining the tendering process and improving documentation accuracy.
- Drafted commercial and technical proposals, including comprehensive construction methodologies, aligning client expectations with deliverable capabilities.
- Led cost estimation exercises for projects like the TRYP By Wyndham Hotel, resulting in effective financial planning and resource allocation.
- Managed updating of cost databases and methodology proposals, refining project delivery techniques and reducing bid rejection rates.
- Designed site layouts and coordinated logistics planning, enhancing setup efficiency and operational throughput.

## **EDUCATION**

---

**Orange International College — VIC, Australia**

DiploMaster of Arts of Building and Construction, 2021

**Mackenzie Presbyterian University — Brazil**

Architecture and UrBachelor of Artsnism, 2009

## **ADDITIONAL EXPERIENCE**

---

- Member of AIQS – December 2023. CAU BR - Brazilian Council of Architecture and Urbanism – 2011.
