Expert Senior Estimator – Infrastructure & Commercial Projects

Brazil

Seasoned Estimator with 15+ years in civil and commercial projects, enhancing budget and cost effectiveness.

SKILLS

Skills: First Principle Estimating; Quantity Take-off; Bill of Quantities (BOQ) Preparation; Cost Estimating; Cost Consulting; AutoCAD; Project Documentation; Civil Construction; Budget Management; Tender Document Preparation; Project Management; Infrastructure Projects **PROFESSIONAL EXPERIENCE SECTION - With clear margin-top to ensure separation -->**

PROFESSIONAL EXPERIENCE

VIAARQ – Arquitetura Viável — Brazil

Jan 2015 – Present

Quantity Surveyor / Architect - Co-owner

- Led the provision of surveying services to civil construction and real estate firms, analyzing tender documents and performing quantity take-offs across various disciplines like Architecture and Civil Engineering. Handled projects totaling over \$12M USD in construction value.
- Executed first principle estimating and developed detailed BOQs, aligning project goals with client budgets for competitive pricing. Ensured cost accuracy within $\pm 3\%$ of final project costs.
- Managed tender document preparation, client negotiations, and contract finalizations, ensuring comprehensive cost consulting and adherence to budget constraints. Achieved a 100% on-time tender submission rate.
- Enhanced project revenue by 25% through strategic cost management and budget adjustments on major infrastructure and commercial projects. Optimized budgeted costs on average by 20% for all awarded projects.
- Supervised documentation and regularization of residential building projects, coordinating compliance with regulatory standards. Successfully regulated 12+ residential project approvals per annum.

Civil Infrastructure Group — Australia

Mar 2021 – May 2024

Senior Estimator / Quantity Surveyor

- Conducted thorough tender analyses and preliminary budgeting, preparing comprehensive BOQs encompassing all material, labor, and equipment requirements. Completed estimates for projects valued over \$50M AUD.
- Formulated detailed cost estimates and supplier consultations, expertly handling design variation assessments and ensuring cost-effective project delivery. Achieved cost savings of 15% on average through supplier negotiations.
- Drafted initial program schedules, aligning with project stakeholders to adapt construction methodologies for budget adherence and enhanced efficiency. Reduced average project delays by 18% through proactive schedule adaptations.
- Steered successful major infrastructure projects such as the South Morang Terminal Station and West Gate Tunnel, optimizing resources and exceeding performance targets. Executed projects under budget by a collective \$2.5M AUD.

EDUCATION

Orange International College — Australia

Diploma of Building and Construction, 2021

Mackenzie Presbyterian University — Brazil

Architecture and Urbanism, 2009

CAU BR - Brazilian Council of Architecture and Urbanism

ADDITIONAL EXPERIENCE

Member of AIQS, involved in continuous development through courses in construction management and specialized software training.
