

Camila

Senior Estimator & Quantity Surveyor – Infrastructure & Building Projects

SP

Highly skilled estimator with 15+ years in construction and quantity surveying, delivering precision cost

analysis for projects across Brazil and Australia.

SKILLS

Skills: First Principle Estimating; Quantity Take-off; Bill of Quantities (BOQ) Preparation; Cost Estimating; Cost Consulting; AutoCAD; Project Documentation; Civil Construction; Budget Management; Tender Document Preparation; Project Management; Infrastructure Projects **PROFESSIONAL EXPERIENCE**

SECTION - With clear margin-top to ensure separation -->

PROFESSIONAL EXPERIENCE

VIAARQ – Arquitetura Viável (CMS Novaes Orcamentos e Desenhos Técnicos Ltda ME) Jan 2015 – Present
— SP, Brazil

Quantity Surveyor / Architect - Co-owner

- Led the analysis and preparation of tendering documents for multiple high-value projects across residential and commercial sectors, ensuring cost-effective solutions. \$5.3M USD in awarded contracts
- Utilized First Principle Estimating techniques to deliver detailed BOQs, resulting in precise budgeting and significant cost savings. Achieved 95% accuracy in cost estimates
- Managed comprehensive quantity take-offs for diverse projects, focusing on civil works, architectural, and structural elements. Handled projects up to 38,000 m²
- Developed and implemented cost variation assessments and detailed reports, reducing unforeseen expenses by 20%.
- Oversaw the preparation of commercial offers and proposals that secured high-profile construction projects and expanded market presence. Secured \$14M USD in new projects
- Conducted detailed architectural drawings assessments to identify and rectify design discrepancies early in the project lifecycle.
- Directed awarded project detailed quantity take-offs including complex temple and educational construction projects. Built area: 6,996 m² | External area: 38,323 m²

Civil Infrastructure Group — VIC, Australia Mar 2021 – May 2024

Senior Estimator / Quantity Surveyor

- Conducted tender analysis and preparatory budgeting, resulting in precise cost forecasting for major infrastructure projects. AUD \$53M in project estimations
- Crafted comprehensive BOQs encompassing intricate details of materials, labor, and equipment. 99% estimate accuracy
- Collaborated extensively with suppliers and contractors to ensure thorough cost consulting and budget alignment. Cost overruns reduced by 18%
- Orchestrated scope clarifications and project scope developments to maintain clear communication with stakeholders. Enhancements led to a 30% emissions reduction
- Oversaw project cost variations, including assessing design changes and their financial implications. Achieved \$2M in cost variances improvements
- Delivered significant projects such as South Morang Terminal Station and Level Crossing Removal, focusing on detailed estimations and resource allocations. Total project value: AUD \$11,416M
- Managed precise documentation for construction management, facilitating effective financial tracking and execution. 5% reduction in management delays

Somague MPH — SP, Brazil Nov 2012 – Dec 2014

Quantity Surveyor / Intermediate Estimator

- Analyzed project tender documents, ensuring accurate scope identification and cost efficiency in award winning bids. Secured contracts worth \$12.0M
- Executed detailed quantity take-offs and cost consulting for high-stakes commercial and hospitality projects. Delivered 23,000 m² for TRYP Hotel project
- Facilitated integration of engineering drawings into comprehensive cost plans, bolstering design efficiency. \$4.8M contract execution
- Provided critical leadership in dispute resolution, safeguarding project timelines and client satisfaction. Resolved 100% of disputes amicably

Quantity Surveyor / Intermediate Estimator

- Performed detailed design comparisons and cost assessments, delivering streamlined feasibility studies. Achieved 15% cost-saving
- Successfully managed high-rise residential projects, ensuring accurate and timely documentation for financial viability. \$4.0M project completion
- Strengthened bidding procedures resulting in more competitive project proposals. Improved bid acceptance rate by 22%

MV Escritório de Projetos Ltda. — Brazil

Apr 2011 – Sep 2011

Architect / Intermediate Quantity Surveyor

- Headed cost feasibility studies for logistical warehouses, ensuring optimal financial planning and resource allocation. 18,225 m² accurately estimated
- Negotiated and drafted contractual documents to secure sustainable budgeting across sectors. Finalized contracts 10% under expected costs

Afonso França Engenharia Ltda. — SP, Brazil

Mar 2008 – Mar 2011

Quantity Surveyor / Junior Estimator

- Orchestrated comprehensive cost assessments and forecasting for hospital expansion projects, maintaining precision in budget alignment. \$9.6M in hospital projects
- Led cost management for commercial project upgrades, playing an instrumental role in strategy and execution. \$4.8M cost management
- Delivered detailed progress reports appealing to stakeholders, fostering transparency and informed decision-making. 98% stakeholder satisfaction

EDUCATION

Orange International College — VIC, Australia

Diploma of Building and Construction, 2021

Mackenzie Presbyterian University — SP, Brazil

Architecture and Urbanism, 2009

ADDITIONAL EXPERIENCE

Certification in Construction Management Specialization from Columbia University via Coursera,
Autodesk Revit training from CADRITECH.
