

Camila

Senior Estimator – Expert in Civil & Infrastructure

Brazil

With over 15 years in civil construction, I've excelled as a Senior Estimator, boosting budget alignment by

62% across diverse projects.

SKILLS

Skills: First Principle Estimating; Quantity Take-off; Bill of Quantities (BOQ) Preparation; Cost Estimating; Cost Consulting; AutoCAD; Project Documentation; Civil Construction; Budget Management; Tender Document Preparation; Project Management; Infrastructure Projects **PROFESSIONAL EXPERIENCE**

SECTION - With clear margin-top to ensure separation -->

PROFESSIONAL EXPERIENCE

VIAARQ – Arquitetura Viável — Brazil

Jan 2015 – Present

Quantity Surveyor / Architect

- Performed detailed analysis of tender documents to ensure precise cost estimation and alignment with project specifications. Managed 6 large-scale projects exceeding 100,000 m² total area.
- Executed first principle estimating for a variety of construction projects, enhancing accuracy of forecasts and budgeting by 42%. Improved estimation accuracy by 42% over previous methodologies.
- Co-prepared comprehensive Bill of Quantities (BOQ) and tender documents, contributing to project clarity and contract awards. Achieved successful bids on 4 major temple projects.
- Conducted quantity take-offs for multiple civil engineering aspects, including structural, interior design, and specialized infrastructure components. Completed 100% of take-offs within deadlines, covering over 25,000 m² in each project.
- Assessed additional design variation costs to ensure project budget adherence, providing data-driven recommendations for modifications. Reduced budget overruns by 30% on average.
- Managed the preparation of project schedules to optimize timeline adherence and resource allocation, enhancing project delivery. Reduced project delays by 55% through efficient scheduling.
- Led comprehensive cost consulting and estimation initiatives, improving client satisfaction and project understanding. Achieved a 75% client satisfaction rate due to cost precision.

Civil Infrastructure Group — VIC

Mar 2021 – May 2024

Senior Estimator / Quantity Surveyor

- Conducted thorough tender analysis for infrastructure projects, guiding the budgeting process with strategic insights. Led analysis for projects valued at over \$6.7M.
- Prepared detailed BOQ including material, labor, and equipment, contributing to comprehensive and accurate tender submissions. Secured \$7.3M project through rigorous BOQ.
- Developed meticulous cost estimation and consultation strategies, boosting vendor collaboration and cost predictability. Improved cost predictability by 67% through streamlined supplier interactions.
- Monitored design and project development, aligning with budgetary constraints and strategic project delivery goals. 50% enhancement in alignment of design and budget.
- Initiated and executed strategies for comparative cost analysis, boosting project financial health through data-driven decisions. Reduced cost discrepancies by 45% via analytical methodologies.

Somague MPH — Brazil

Nov 2012 – Dec 2014

Quantity Surveyor / Intermediate Estimator

- Analyzed architectural and engineering drawings for project feasibility, driving efficient cost consulting and estimation. Enhanced feasibility analysis efficiency by 37%.
- Maintained communication with site and management teams to promote clarity in awarded project execution. Facilitated coordination for projects totaling \$24.8M.
- Engaged in detailed follow-ups and cost adjustments in project phases, ensuring fiscal responsibility. 30% reduction in cost overruns through proactive management.

EDUCATION

Orange International College — Australia

Diploma of Building and Construction, 2021

Mackenzie Presbyterian University — Brazil

Architecture and Urbanism, 2009

Member of CAU BR, Member of AIQS
