

Camila

Senior Construction Estimator – Civil Infrastructure

Brazil

Seasoned estimator with 15+ years in civil infrastructure, achieving 45% cost reductions in large-scale projects.

SKILLS & LANGUAGES

Skills: First Principle Estimating; Quantity Take-off; Bill of Quantities (BOQ) Preparation; Cost Estimating; Cost Consulting; AutoCAD; Project Documentation; Civil Construction; Budget Management; Tender Document Preparation; Project Management; Infrastructure Projects **Languages:** English (Fluent); Portuguese (Native)

PROFESSIONAL EXPERIENCE

VIAARQ – Arquitetura Viável — Brazil

Jun 2024 – Present

Quantity Surveyor / Architect

- Analyze tendering documents, aligning with architect and engineering teams to optimize cost projections and mitigate risks.
- Implement first principle estimating methodologies, increasing the accuracy of cost predictions for large-scale projects.
- Prepared detailed Bill of Quantities (BOQ) and tender documents, facilitating seamless project execution across various construction domains.
- Conducted quantity take-offs for complex civil projects, including structural, interior design, and drainage elements.
- Managed and prepared final detailed BOQ and accounts, ensuring accurate financial projections and accountability.
- Developed initial program of works and cost competitive project schedules for medium to large-scale projects.
- Delivered award-winning projects including detailed quantity assessment and construction cost consulting for LDS temple complexes.

Civil Infrastructure Group — VIC, Australia

Mar 2021 – May 2024

Senior Estimator / Quantity Surveyor

- Led tender analysis and contributed to winning proposals by providing precise scope and cost breakdown.
- Developed comprehensive BOQs, incorporating labor, material, and equipment lists for infrastructure projects.
- Enhanced cost consulting by establishing relationships with key suppliers, resulting in strategic cost savings.
- Managed competitive cost estimates and accounts for infrastructure projects, aligning them with end-client needs.
- Proposed innovative construction methods, helping partners stay within stipulated budgets without compromising quality.
- Conducted meticulous cost assessments of project variations, effectively communicating impacts with key stakeholders.
- Ensured project delivery through detailed analysis and program schedules that supported timely budget allocation.

Somague MPH (Sacyr Somague PT group) — Brazil

Nov 2012 – Dec 2014

Intermediate Estimator / Quantity Surveyor

- Analyzed tendering documents to evaluate the full project scope, ensuring compliance with cost and quality standards.
- Performed quantity take-offs and financial forecasts, providing crucial insights for decision-making in complex projects.
- Coordinated with design teams to resolve scope ambiguities, ensuring alignment between tender and project execution.
- Developed competitive BOQs, enhancing win rates for commercial and technical proposals.
- Consulted with suppliers and subcontractors to secure competitive quotes, driving down overall project costs.
- Facilitated site meetings to discuss project plans, translating intricate details for wider project team comprehension.
- Assisted in the resolution of contractual disputes, leveraging negotiation skills to achieve favorable project outcomes.

EDUCATION

Orange International College — VIC, Australia

Diploma of Building and Construction, 2021

Mackenzie Presbyterian University — SP, Brazil

Architecture and Urbanism, 2009

ADDITIONAL EXPERIENCE

Camila has been a member of the Brazilian Council of Architecture and Urbanism since 2011 and recently joined the AIQS in 2023. She has also completed certifications in Autodesk Revit and Construction Management.
