

Camila

Senior Estimator – Construction & Infrastructure

Sorocaba, SP, Brazil

Over 15 years in construction estimation, delivering 100% on budget for major projects in construction and infrastructure sectors.

SKILLS & LANGUAGES

Skills: First Principle Estimating; Quantity Take-off; Bill of Quantities (BOQ) Preparation; Cost Estimating; Cost Consulting; AutoCAD; Project Documentation; Civil Construction; Budget Management; Tender Document Preparation; Project Management; Infrastructure Projects **Languages:** Portuguese (Native)

PROFESSIONAL EXPERIENCE

VIAARQ – Arquitetura Viável — Sorocaba, SP, Brazil

Jan 2015 – Present

Quantity Surveyor / Architect - Co-owner

- Analyzed tendering documents, employing First Principle estimating techniques to ensure high accuracy in cost predictions.
- Developed detailed Bill of Quantities (BOQ) and aligned tender documents resulting in precise project costing.
- Executed comprehensive quantity take-offs for a variety of civil projects, including foundations, architecture, and earthworks.
- Integrated cost estimating and consulting practices, coordinating with suppliers for efficient project solutions.
- Managed project design variations, assessing additional cost impacts and strategizing budget adjustments.
- Followed up on project development to maintain budget compliance, ensuring resource allocation remained on track.
- Drafted and executed program of works comparing initial design to final project plans, optimizing cost effectiveness.
- Facilitated documentation for project approval and residential building regularization, securing timely and accurate submissions.
- Supervised awarded projects, with notable deliverables including LDS Temple Complexes in Fortaleza, Rio de Janeiro, Belém, and Brasília.

Civil Infrastructure Group — Greater Melbourne Area, VIC, Australia

Mar 2021 – May 2024

Senior Estimator / Quantity Surveyor

- Conducted comprehensive tender analysis including preliminary budgeting for TOC, ensuring competitive and accurate bid submissions.
- Developed exhaustive BOQs covering material, labor, plant, and equipment lists, highlighting cost-saving opportunities.
- Engaged in cost consulting with suppliers, proposing budget adjustments and construction method alternatives that enhanced project efficiency.
- Responsible for estimating and preparing detailed BOQs for key projects, including the Gippsland Line Upgrade and several large-scale infrastructure ventures.
- Analyzed scope of work with contractors to ensure clarity and alignment with project goals and financial plans.
- Inspected and validated cost implications of design variations to maintain financial targets.

Somague MPH (Sacyr Somague PT) — Sao Paulo, SP, Brazil

Nov 2012 – Dec 2014

Quantity Surveyor / Intermediate Estimator

- Performed rigorous analysis of tender documents and project scopes to guide accurate BOQ and proposal preparation.
- Collaborated with multidisciplinary teams to refine cost estimates and ensure clarity on architectural and engineering drawings.
- Facilitated cost consulting with external suppliers to finalize comprehensive BOQs and project accounts for large-scale developments.

Trisul-SA — Sao Paulo, SP, Brazil

✓ Sep 2011 – Sep 2012

Quantity Surveyor / Intermediate Estimator

- Oversaw quantity take-offs and prepared comprehensive BOQ, ensuring precise project financial documentation.
- Conducted feasibility studies and documentation preparation for bank financing of residential high-rise projects.

EDUCATION

Orange International College — Diploma of Building and Construction (Building), Melbourne, VIC, Australia, 2021
Mackenzie Presbyterian University — Bachelor's Degree in Architecture and Urbanism, Sao Paulo, SP, Brazil, 2009

ADDITIONAL EXPERIENCE

Construction Management Specialization - Columbia University via Coursera (Oct 2024 - Jan 2025); Autodesk Revit Architecture - CADRITTECH; Autodesk Revit MEP - CADRITTECH; Autodesk Navisworks Manage - CADRITTECH.
