### PROFESSIONAL EXPERIENCE

**VIAARQ – Arquitetura Viável (CMS Novaes Orcamentos e Desenhos Técnicos Ltda ME) — Sorocaba, SP, Brazil** Jan 2015 – Present

*Quantity Surveyor / Architect - Co-owner*

- Provided expert services for civil construction and real estate development from tender analysis to project completion, ensuring comprehensive quantity surveying and budget adherence.
- Conducted detailed first principle estimating and BOQ preparation, ensuring data was accurate and adhered to project specifications.
- Managed cost estimating by scrutinizing tender documents and architectural designs for infrastructures such as hospitals, shopping centers, and residential buildings.
- Led the preparation of commercial offers, including negotiating components like MEP installations with suppliers.
- Conducted comparative analyses between initial designs and final design projects to manage and report budget adequacy effectively.
- Followed up on projects to ensure they met financial and regulatory standards, facilitating communication with stakeholders.
- Prepared documentation for residential buildings aiming for smooth project approval and adherence to economic plans.

**Civil Infrastructure Group — Greater Melbourne Area, VIC, Australia**

Mar 2021 – May 2024

*Senior Estimator / Quantity Surveyor*

- Orchestrated tender analysis and budget preparation across multiple civil infrastructure projects, ensuring detailed compliance with client specifications.
- Executed quantity take-offs and compiled Bill of Quantities (BOQ), addressing all associated material and cost components comprehensively.
- Engaged with suppliers for cost consulting, ensuring procurement strategies aligned with project financial targets.
- Co-developed and redefined construction methods, driving budget efficiencies and innovative solutions.
- Oversaw project execution, aligning development processes with budget projections and offering cost adjustment solutions.

**Somague MPH (Sacyr Somague PT group) — Sao Paulo, SP, Brazil**

Nov 2012 – Dec 2014

*Quantity Surveyor / Intermediate Estimator*

- Analyzed scope and documentations for various commercial projects, providing detailed insights and maintaining budgetary fidelity.
- Led comprehensive tendering, including preparation of commercial and technical proposals with emphasis on construction methodologies.
- Facilitated project kick-off with site and management teams for awarded contracts, elucidating financial expectations and scope clarifications.
- Assisted in dispute resolution and managed design changes, optimizing cost implications and contractual compliance.

 POPS'H
